

English

Instructions

- Capital letters and full stops
- Using imperative verbs
- Order instructions
- Recognise key features of instructions

Leaflets

- Key features of a leaflet including subheadings and captions
- How to research and make notes
- Design and create your own leaflet

Fictional Writing

- Know the meaning of words by using a glossary
- Order words in alphabetical order and using a dictionary
- Using Days of the Week in our writing

Grammar

- Compound words
- Apostrophes for possession
- Commas in a list
- Speech marks
- Using correct punctuation

How you can help at home:

Read with your child everyday at home. Encourage your child to read a range of different genres. Look at different texts together for example, recipe books, travel leaflets etc. Continue to record any reading at home. Use spelling grid homework sheets to learn the weekly spellings. Practice handwriting with your child at home, starting to join letters correctly.

Science

Over the course of this term we will be looking at the following topics.

Plants

- Planting
- Plant growth

Living Things and Their Habitats

- Dead or alive
- Habitats and adaption
- Animal Food

How you can help at home:

Discuss plants with your child and ask them to name the things that they need in order to grow healthily. Allow your child to explore different habitats for animals i.e. woodland, pond, river. Discuss the different animals that live in the different habitats.

RSHE

- Who is my Neighbour?
- Living in the Wider World
- The Communities we live in

Year 2 Summer Term Villainous Royals

Topic

(History, Geography, Art & DT)

Over the course of the term, we are going to explore a number of English and British monarchs throughout history

- Compare two versions of a past event
- Use pictures and artefacts to find out about the past
- Write a report about an historical event
- Know the qualities of a good monarch
- Compare characters from history
- Understand that not all historical sources are reliable
- Read information about people from history and make decisions about it

How you can help at home: You're welcome to carry on extra research at home. We'd love to see anything extra you find out.

Computing

- Creating pictures
- Presenting Ideas

Physical Education

- Kwik Cricket
- Athletics
- Sports Day

Music

We will be exploring pitch in our dedicated music week.

Mathematics
