RE: SEND Governor Letter

Welcome to St Edward's Catholic First School.

We pride ourselves on providing a safe and supportive environment allowing each child to have the opportunity to be able to experience success. It is important that each child has pride in their achievements and challenge themselves to be able to reach their full potential. Lessons are carefully planned for groups or individual needs to ensure that quality first teaching takes place monitoring teaching and Special Educational Needs & Disabilities (SEND) provision is completed through learning walks and pupil progress meetings. These are delivered by committed teachers and trained support staff working with children in small interactive groups.

The SENDCo (Special Educational Needs & Disabilities Co-ordinator) is Mr Liam Keohane in charge of coordinating and arranging support, according to the needs of the child. At times specialist agencies will be required with whom she liaises along with parents at meetings. Regular reports are provided by the SENDCo and Headteacher to the governing body. These are a requirement to ensure progress is maintained and show how the provisions are delivered to give a successful outcome. At present, April 2022, there are 44 children on the SEND Register.

To help you understand the process and gain knowledge on SEND, the school website page has included information to support [<https://www.stedwardscatholicfirstschool.co.uk/SEND>]. Information includes "Local Offer and SEND Information Report", the "SEND & Inclusion Policy", the "Accessibility Plan" and "A Guide for Parents and Carers", all of which are very informative!

If you are concerned about your child's learning or needs or would like more information please contact your child's class teacher in the first instance, who will be happy to assist.

Please contact the school office if you would like to arrange a meeting with the SENDCo or myself.

Mrs. C. Cook
SEND Governor
